RATED

About

The STYLVENT 150 is a 150mm axial flow extract fan ideally suited for a wide range of general residential applications to meet current building regulations. The STYLVENT 150 can be wall or window mounted.

- Numerous quality features
- IPX4 rated
- Powerful single phase 230V-50Hz motor
- Tough ABS plastic grille and shutter
- 5 year warranty
- High performance
- Complies with building regulations
- Versatile
- Easy installation

Features

DC Motor Technology

The fan is fitted with 320VDC brushless motor.

ORDER CODE ➤	HV-150AE
Single Speed	•

Controller CR-150

Control unit for the HV-150AE. The control unit is fitted with:

- On/off switch for fan operation
- On/off switch for shutter operation

Technical Specification

Product

The STYLVENT 150 is an axial flow extract fan ideally suited for a wide range of general residential extract or supply ventilation.

Applications

The fan can be wall or window mounted.
